- NO. 8570 CRIB COVER - SIZE 36x54"
- NO. 8571 CRIB COVER - SIZE 40x60"
- NO. 8572 CRIB PILLOW

Sufficient embroidery cotton is included to complete this design if instructions are followed accurately.

Arrangement of colors are indicated on chart by numbers.

Nos. on Chart		Colors
1	Indicates	Red
2	"	Blue
3	"	Yellow
4	"	Brown

The cotton included is Bucilla Six Strand Floss and must be split into 2 or 3 strands or use as a full thread as specified below.

PATCHES: Cut out on dotted line. Turn under along solid line. Place on guides in numerical order with the exception of ear, wing and peak of hats - patches numbered 5, 12, 14, 23, 42, 19, 37, 24 and 32. With self color thread sew patches securely to foundation. Where one patch overlaps another it is unnecessary to turn back material of the underneath patch.

HAT PEAKS: Turn under along solid line and sew a hem. Place on guide under hat band and sew only along band edge and guide on foundation allowing remainder of peak to hang loosely.

EARS AND WINGS: Place 2 matching ear patches together (such as 12 and 12) right sides facing and seam along inner stamped solid line leaving a small opening; turn right side out. Place on guides and sew securely along guide only allowing rest of patch to hang loosely.

EMBROIDERY STITCHES AND STRANDS USED ARE:

Stars - triple cross stitch - 3 strands.

Eyes, noses, tongues, buttons, guns, hat straps - satin stitch - 3 strands.

Edge of eyes, mouths, lines in sleeves, whip, horse's head, etc. - outline stitch - 2 strands.

Epaulets - embroider a row of loose loops along bottom of epaulets, then cut through loops to form a fringe - full thread - see loose loop instructions below.

Mane - loose loop stitch - full thread - see below.

Tail: Cut 14 - 3 inch lengths of full thread and tack at x guide.

Eyelashes, short lines on drum and short lines on bridle - straight stitch - 3 strands.

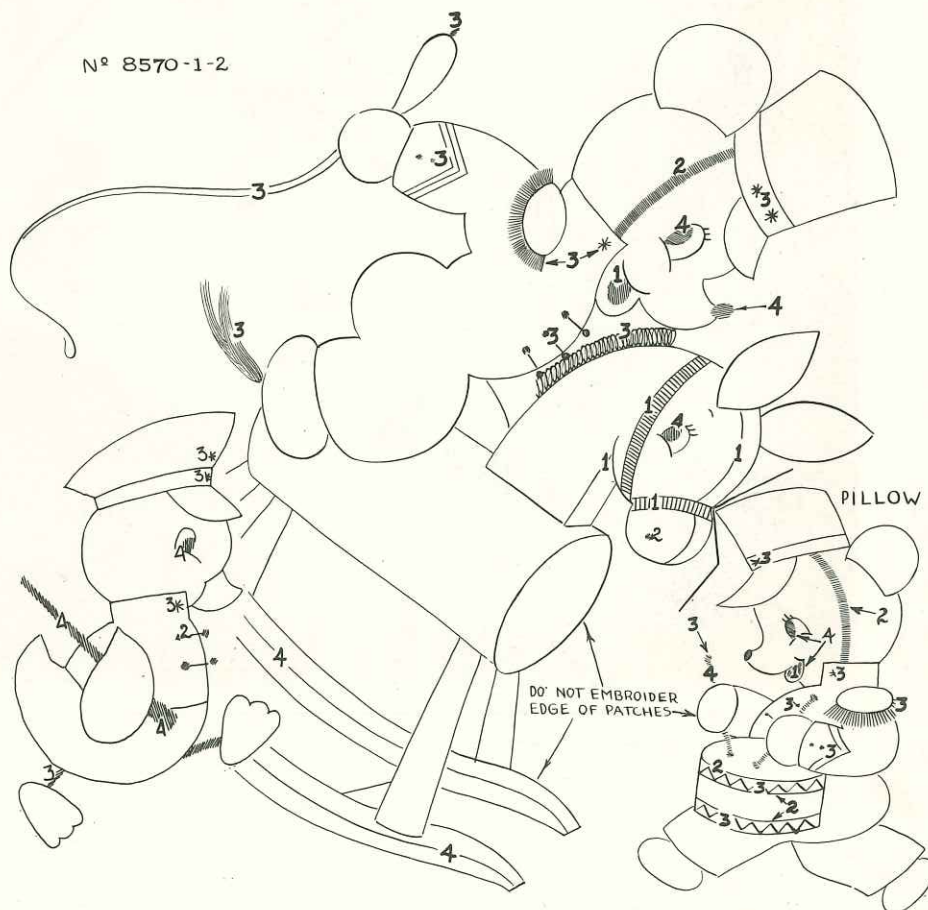

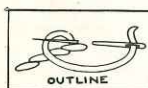

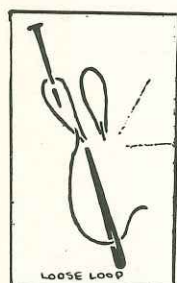

LOOSE LOOP STITCH: Instead of embroidering loop in usual manner use a pin to hold loop in place, then make a straight stitch in center of loop. Remove pin and allow loop to hang loosely (see detail chart).

FINISHING INSTRUCTIONS

CRIB COVER: Sew banding to foundation along guide lines. Turn a narrow hem around all raw edges.

CRIB PILLOW: Sew banding to front of pillow along guide lines. Seam front and back of pillow together right sides facing leaving an opening at bottom. Turn right side out and insert a pillow form.

Nº 8570-1-2

WASHING INSTRUCTIONS:—Use a mild soap flake; do not roll or fold while wet; embroidered pieces should be dried flat on a table or hung up. Iron on reverse side after thoroughly dry.
